PRICING & SCHOLARSHIP INFORMATION

At Camp Machaceh, we believe that a quality camp experience should be available to every child. However, such an experience comes at a large cost to our organization. For this reason, we use a three-tiered pricing system.

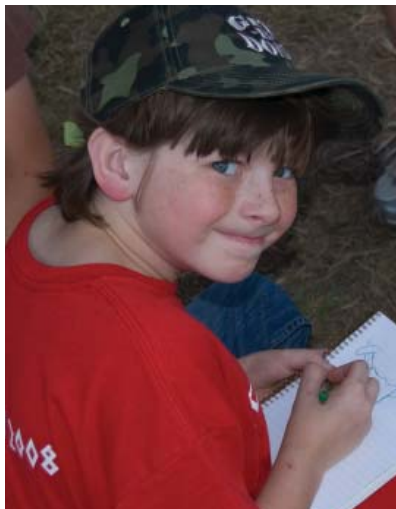

3-TIERED SYSTEM

Over the past few years of ministry, we have discovered that one price does not necessarily fit every camper or every family. Thus, in order to best meet the needs of all of our campers, we have developed a three-tiered, need based system. Simply put, select the tier that best fits the needs of your family. The tiers are as follows:

\$40: This price is over 80% subsidized.

\$135: This price is 50% subsidized.

\$275: This price represents the actual program cost per camper.

FULL SCHOLARSHIPS

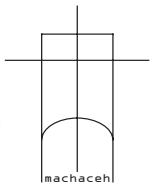

Because we are committed to providing camp for all youth, we offer full scholarships. In other words, we do not want cost to prevent your child from coming to camp. However, recipients of full scholarships are required to fill out the proper paperwork included in the registration packet. Such documentation is necessary in order for us to determine that funds are going to those with the greatest need. No personal information will be released as we treat your personal information with the utmost care and confidentiality.

PAYMENT SCHEDULE

Because we have only one week of resident camp, available spots will be filled on a first come first served basis. A 25% deposit is required to hold your spot. This deposit will be applied toward your total. Payment is due in full two weeks prior to camp unless other arrangements are made with us. Please contact us with any questions at 972-835-1786 or staff@campmachaceh.org.
